5C Perforated Stamp – Registered Mail

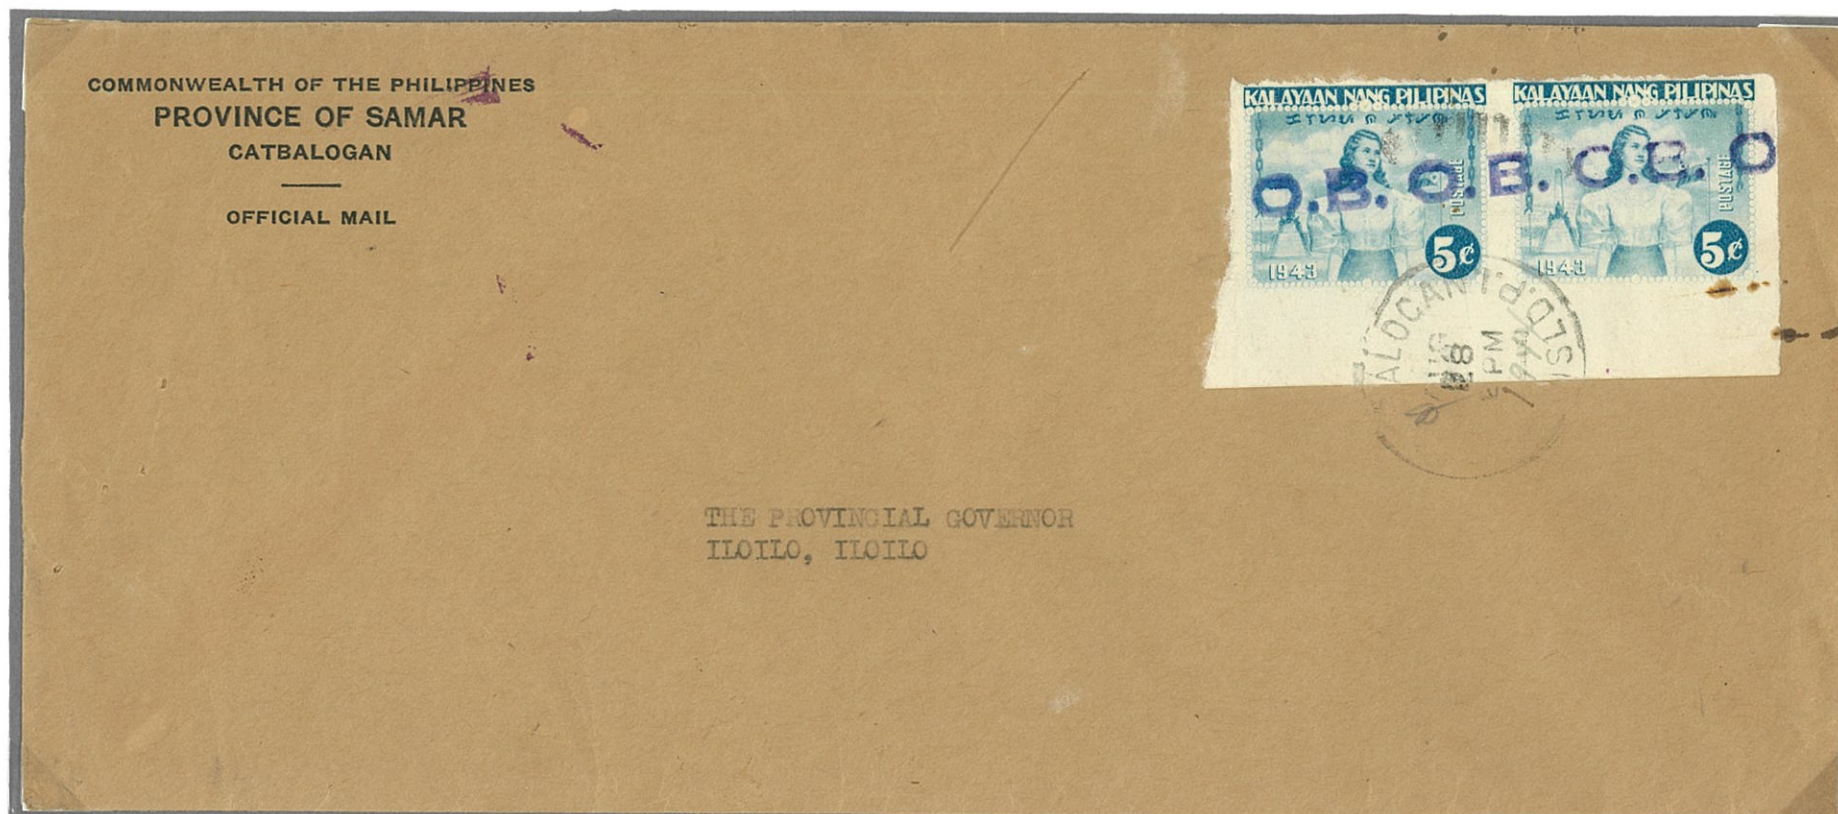

Feb. 29, 1944, Single First Class Registered Mail, Cagayan, Misamis Oriental to Manila

Mix franking of a 5C perforated stamp plus 2 x 5C/6C and a 2C provisional stamp for proper 17C single registered mail rate.

Scarce Postmark: Boxed Registry Marking of Cagayan, Misamis Oriental used as cancellation

Usage of 5C Imperforate Stamp

O.B.

Aug. 28, 1944, Double First Class Mail, Catbalogan, Samar to Manila

Franked with a pair of 5C Imperforate stamp (with "O.B" handstamp) for proper double first class mail.

Scarce Usage: This was delivered the addressee in Manila in normal route. US uncaptured mail matters are very scarce because most of mail matters posted in Leyte and Samar after Aug., 1944 were captured by US Army.
