

## 1874 ISSUE

## OVERSEAS MAIL TO SPAIN

## SINGLE-WEIGHT OVERSEAS RATE TO SPAIN = 62 CENTAVOS

This rate was primarily applied to mail to Spain and colonies. Overseas mail to non-Spanish countries required British Asian postage or it was sent un-paid, since the Philippines was not yet a member of the General Postal Union (renamed Universal Postal Union in 1878).

1875 Manila to Badajoz, Spain.
