

1880-1886 ISSUE

INTERIOR MAIL

USE OF REGISTRATION MARKING TO CANCEL REGULAR MAIL

Small towns often had to rely on whatever cancellation devices were available to cancel regular mail, including registration (certificado) devices to cancel non-registered mail.

1887 small town (?), Albay Province to Bocaue, Bulacan Province cancelled with a CORREOS DE FILIPINAS registration cancel to cancel a non-registered letter at the 2 4/8 centavos single-weight interior rate.
