

THREE 1890-1897 8 CENTAVOS ISSUES

Between 1890-1897, three 8 centavos postage stamps were issued to provide the single-weight overseas postal rate: 8 centavos yellow green (in 1890), 8 centavos ultramarine (in 1892), and 8 centavos red brown (in 1894).

Of the three values, the 8 centavos yellow green of 1890 is the scarcest on cover.
