HARTFORD ENVELOPES

This series of envelopes were produced from the United States Pre-Stamped Envelope series of 1903, produced by the Hartford Manufacturing Company, Hartford, Connecticut, USA. The word “PHILIPPINES” was added beneath the indicia, in the same colour as the indicia. All the Hartford envelopes were printed on laid paper with “US POD 1903” Watermark (UPSS Type 14).

A number of envelopes from this series exist with “Theodore Siddall”, “Carlos Media y de los Reyes”, and “Guillermo Perera y Montanes” corner cards. These were produced in smaller quantities by special request through the Post Office and properly ordered as per US POD rules, and are listed by Scott as Post Office produced envelopes.

Envelopes with the following four values were produced:

1c Green
(Benjamin Franklin)

2c Carmine
(George Washington)

4c Brown
(Ulysses Grant)

5c Blue
(Abraham Lincoln)
