GIRL SCOUT WORLD CAMP

5-CENTAVOS – PERFORATED AND IMPERFORATE

'1357' DELETED WITH BLACK BAR

WITH BARS OVER '1357', '5-CENTAVOS' AND EMBLEM

IMPERFORATE

A constant printing error on position 48 of the sheet has the erroneous date '1357' at left. This was obliterated by a black bar and most were punched with holes or heart cut-outs. The '5-centavos' and emblem were often covered by another black bar, and some have an additional black bar between the emblem and girl scout. They were thus invalidated, but were sold together with the normal stamps.
